Application notice

Ardmore Phosphate Rock Project

Resource activity: Mining activity relating to a mining lease

It is advised that Agriflex Pty Ltd has lodged an application for a major amendment to an environmental authority and a PRCP schedule in accordance with the requirements of the *Environmental Protection Act 1994*. The environmental authority and PRCP schedule being amended are BRMN0037 and PRCP_BRMN0037_V1.

The amendment application relates to expanded resource activities that would be conducted on mining lease (ML) tenement ML5542, which has an areal extent of 2,209 hectares and is located approximately 23km west of Dajarra and partially within each the Boulia Shire and Cloncurry Shire local government areas.

The application documents for the project consist of an application form relating to the joint (combined) EA amendment application and PRCP Schedule amendment application, supporting reports relating to the proposed amendments and a proposed PRCP Schedule.

Application documents may be inspected or accessed at <https://www.centrexlimited.com.au/community/public-notices/>

Copies of, or extracts from, the application documents may also be obtained at 08 8213 3100.

It is advised that any person may make a submission about the application documents during the submission period, which is from 1/12/2022 to 19/01/2023.
